AMENDMENT

The applicant has amended the application as follows, and a replacement of the amended claims 1 and 7 is enclosed for further examination.

In the claims:

[Claims 1 and 7 are amended as follows:]

- Sub D1
1. A video conferencing station comprising:
- a monitor;
 - means connected to said monitor for displaying one or more video images from one or more remotely located conferees;
 - a housing within which said monitor is contained;
